DECLARATION

I wish to enter the Boat indicated above in the SB3 Northern Championship and I agree to be bound by 'the rules' as defined in the Racing Rules of Sailing, the Class Rules (where applicable) and the Sailing Instructions. I accept that the participation of the above named boat in the Championships is at my sole and exclusive risk in every respect. By this entry I hereby indemnify the Royal North of Ireland Yacht Club, their officers, members, servants, agents and sponsor(s) in respect of all claims and demands of whatever nature which may be made upon them in connection with or howsoever arising from the participation or intended participation of the above named boat in the Championships, and I acknowledge that the Royal North of Ireland Yacht Club, and their officers, servants, agents and sponsor(s) accept no responsibility in respect of loss of life, personal injury or loss of or damage to property, vessel or equipment upon request.

LIABILITY & INSURANCE

A boat is entirely responsible for its own safety, whether afloat or ashore, and nothing, whether in the Notice of Race or Sailing Instructions or anywhere else, reduces this responsibility.

It is for the boat to decide whether it is fit to sail in the conditions in which it will find itself. By launching or going to sea, the boat confirms that it is fit for those conditions and that its crew is competent to sail and compete in them.

The boat is required to hold adequate insurance and in particular to hold insurance against third party claims in the sum at least €3 million / £2 million

Nothing done by the organisers can reduce the responsibility of the boat nor will it make the organisers responsible for any loss, damage, death or personal injury, however it may have occurred, as a result of the boat taking part in the racing. The organisers encompass everyone helping to run the race and the event, and include the Organising Authority, the Race Committee, the Race Officer, safety boats and Beachmasters.

The provision of safety boats does not relieve the boat of its responsibilities.

The boat is responsible to ensure that it is equipped and seaworthy so as to be able to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed and in date and that the crew knows how to use it.

The fact that the Race Committee and/or others conduct inspections of a boat does not reduce the responsibilities of the boat set out in this paragraph.

The Royal North of Ireland Yacht Club, its Officers, Employees and Helpers shall not be held responsible for any cancellation or change to the Racing Programme by way of inclement weather. The Sole Arbitrator of such conditions shall be the Race Officer.
